### Qualifying Requirements

Bojangles' Fund Raising program and pricing structures are designed to assist nonprofit organizations and groups. The pricing structure reflects Bojangles' commitment to helping our community and is not created to provide wholesale pricing to individuals or groups for personal or corporate profit. To receive fundraising pricing, a group must be raising funds for one of the following programs:

- **Educational** - funds are being used to support a school or school related organizations (i.e. student or parent group associated with a school or educational institute, band, boost clubs.)
- **Religious** - funds are being used to support specific, non-profit church activities or church related organizations such as youth groups within the church. This program is NOT design to simply give a price break to church goers.
- **Charitable** – funds are being used to support a charitable organization.
- **Community** – funds are being used to support community based activities devoted exclusively to charitable or educational purposes and not for individual gain.
